

## 7 Things Will Happen. . . When you Pay Biweekly

1. You'll have more spendable income each month
2. Allows you to enjoy smaller, easier payments
3. More of each mortgage dollar will go to principal, less to interest
4. Allows you to plan for earlier retirement with a paid in full mortgage
5. Accelerates the equity in your home faster
6. Shortens the term of your loan by several years
7. Your lender will make less money
