

Know The Power

The Biweekly uses the time value of money to get dollars to your principal quicker, not allowing interest as long to accumulate knowing that you will:

- Accelerate your equity quicker
- Reduce the term of your mortgage, 5 to 7 years
- Keep from paying tens of thousands of dollars in needless interest
- Make it possible to retire years sooner, mortgage free

The Biweekly is by far your best savings accumulation vehicle, giving you piece of mind that it will be:

- Better than your 401k plan
- Better than your banks saving's account
- Better than your retirement account
- Better than any mutual fund, CD, bond or Blue Chip stock

Your mortgage has to be paid regardless of whether you pay it once a month, or split your payment, paying half every other week. Why not have more spendable income and a faster payoff while keeping the same minimum monthly payments?

Rest assured that by paying biweekly you know you will:

- Reduce the net **effective** interest rate on your mortgage
- Save paying a large portion of interest dollars to your lender
- Shorten your term and make less payments
- Keep your same loan and lender (no refinancing)

You will receive form BWMA:

- Prompt and courteous customer service
- Our BWMA Confidence Guarantee
- Referral Rewards
