Q&A's

Will I have to refinance my present home loan?

No. Our payment plan is set up to work with your current mortgage.

Will my lender support this program?

Yes! Your lender benefits because your home loan is paid off sooner without violating any provisions of your loan agreement.

How long will it take before I start receiving benefits?

You may start benefiting immediately. Normally, you'll increase your equity by \$800+ the first year and by almost \$5,000 at the end of 5 years.
